TIMING & RESULTS

QUALIFYING FOR THE UCI GRAN FONDO WORLD CHAMPIONSHIPS

The Spinneys Dubai 92 Cycle Challenge has joined the UCI Gran Fondo World Series in 2022 as an official sanctioned race.

Officially launched in 2011, the UCI Gran Fondo World Series features 28 sanctioned qualifying races across the globe with top cyclists competing in UCI Gran Fondo World Championships in September.

If you are aged 19 and over, and have entered in the 94.8km Main Event or Invitational/Elite category, then you will have the opportunity to qualify.

The top 20% of cyclists riding in this year's 94.8km Spinneys Dubai 92 Cycle Challenge will qualify for the UCI Gran Fondo World Championships, which will be held in Italy this September. Please take note of the following:

- The top 20% of each age category is calculated by combining the results from the Invitational/Elite (Licensed) and Open (non-licensed) start groups.
- Both the Elite and Open start group will be timed using the gun time method.
- The start format for the Open start group is a self-seeded mass start, split up into 5x speed groups. These speed groups will all start with the same gun time of 6:25.
- Riders are to enter the start pen according to the average speed that they know they can hold over 94.8km.
- Start pens will open at 5:15am and will close at 6:00am sharp.
- If you are unsure of your average speed, then we request that you start in Speed Group 5. Start Pens have limited space and access will be allowed on a first come first served basis. Please see the below table as a guide to the 5 Speed Groups.

EQUIPMENT & SAFETY

No Headphones: During the ride, the use of any headphones is prohibited, as they limit your awareness of your surroundings.

No Time Trial or Aero Bars: Time Trial / Aero Bars will NOT be permitted in the Spinneys Dubai 92 Cycle Challenge. These bars are NOT bunch friendly and you will not be allowed to start the race if your bike is fitted with these bars.

WATER POINTS

There will be two aid stations on course, a Waterpoint at the 58km mark for the Main Race and 25km mark for The Live Well Outride, and a GU waterpoint at the 76km mark for the Main Race. Riders are however encouraged to carry enough hydration on their bike for the majority of their ride to avoid having to stop. There will be an additional water top up station at the finish area, for you to top up after your ride.

RUST NEVER SLEEPS

MECHANICAL SUPPORT

Mechanical support will be available on-site at the race village on Friday and Saturday before the race. PARKING

To Avoid Diversions and Road Closures, we suggest approaching the stadium via the E311 and taking the exit before exit 22. This will lead you straight to the parking area outside the stadium. There is ample parking at the Dubai International Stadium parking area but please allow an extra ten minutes to get to the start area from the parking. Marshals will be guiding you. Those who are riding The Live Well Outride (38.9km) will need to arrive at the venue by 5:30am due to the planned road closures for the event surrounding the venue. The Race Village will be open from 5am, so grab a hot drink or get those last-minute mechanicals sorted before proceeding to the start.
