■ Race Pack Collection

Your goody bag which contains your race bib, and other mandatory kit will be available for collection from Adventure HQ during opening hours at Times Square on Sheikh Zayed Road, Dubai from October 22nd to 25th 2019.

* Please note that goody bags will not be taken to the start line. RUNNERS will not be allowed to start without the mandatory kit list specified. For international participants or participants living outside of Dubai, we can take your bags to the start line as long as you select RACE DAY COLLECTION upon registration, otherwise your bags will be taken to Adventure HQ and we cannot retrieve until after the race.

■ Location/Directions

The single stage cross-country adventure will start and finish at Wadi Helo (25° 4'29.76" N 56° 1'3.44" E or 25.074933° 56.017623°) on Friday October 25th 2019. Starting at 8.00am sharp! (Check-in CLOSES at 7.30am. Briefing at 7.45am).

■ Course

The course is out and back along the same route on 100% gravel jeep track and rocky wadi bed. It is possible to run this course in both road shoes and trail shoes. The course will be marked with pink flags and ribbon for navigation. The course is very rocky and may pose problems to runners not used to running in off-road conditions. However, the 5k course would be perfect for beginners to trying an off road course. Please be respectful of our surroundings and keep impact to a minimum. Leaving nothing but footprints when we leave. Please note, that the course is not closed to traffic and in some sections locals use parts of it to access their villages. Be aware that you may encounter a minimal amount of cars or trucks whilst running.

■ Checkpoints

Water checkpoints will be located at the 2.5k turn for the 5k runners. At the 5k turn for the 10k runners and at 7.5k turn for the 15k runners. Water and energy drinks will be provided during the race at the checkpoints but please make sure that your obligatory hydration pack is fully filled from your own supplies before the start. ALL runners for ALL distances need to carry water from the start.

Please know which turn you need to make for the distance you are running - you are responsible for making the turn at the correct distance marker which will be at one of three water checkpoints.

■ Camping/Accommodation

There are no hotels nearby, so your options are driving to and from the site for the event or camping the night before. (No campsite is allocated but you are free to find yourself a place to pitch your tent, there are plenty of lovely areas close by).
