Psiloritis, where Zeus was raised."

The non-profit company "Race Psiloritis" is organizing the seventh international sporting endurance event called «Psiloritis Race», with a threshold of 250 athletes from Greece and abroad. The entries for the **8th international mountain trail race, Psiloritis Race** officially start at 5nd of March 2017 and end at 25nd of April 2017.

The International Mountain Race Psiloritis, except the uniqueness of Crete, is offering a unique mountain endurance sporting experience and adventure. It aims to attract Greek and foreign athletes who dedicate themselves to mountain running and give them the opportunity to experience a unique struggle of six (6) hours and thirty (30) minutes in touch with the natural environment of the mountain. Hence, athletes who will take part in «Psiloritis Race» should be able to implement the philosophy of semi-autonomy, carrying mandatory minimum equipment that will provide them with both security and self sufficiency during the race, despite the systematic and regular supply intervals of the event.

The «Psiloritis Race» will take place on a length total of 35 km. The race will start at 7:30 a.m. on Sunday, May 28, 2017 from the site Nida in Psiloritis. The athletes who will participate in the race will experience a combination of ground (length 16.5 km) asphalt (length 3 km) and paths (length 15.5 km). They will pass through the following locations: Nida, Akolita, Louki, Korifi-Timios Stavros, Kalogrades, Katafigio, Spilia, Pardi, Mesoskouro, Lakoudia, Kouroutes.
