# KEY INFORMATION

**PLEASE ARRIVE AT THE START AREA AT LEAST 30 MINUTES BEFORE YOUR RACE BEGINS**

## START LOCATION

The Plus500 City Half Marathon will start and finish in front of the iconic Gate Building, located within the stunning Dubai International Financial Centre (DIFC).

[Click here](#) to view the start area location.

## BAGGAGE DROP

Bag drop facilities will be available near the start/finish area. Please leave only essential items. The organizers will not be responsible for any loss of or damage to items left in the baggage area.

# ***PARKING & TRANSPORT***

## **CAB DROP OFF POINT**

With the increase in participants this year, we highly recommend arriving by taxi or limousine and being dropped off at Emirates Towers Metro Station. From there, it's just a 200m walk to the start line — the most convenient and comfortable way to arrive. Please note that the metro will be operational by the time the event concludes, making it an easy option for your return journey.

## **PARKING**

There is event parking available at Gate District 4 (GD4) . Please ensure that you arrive at the parking area by 06:15 AM at the latest.

Please follow the instructions of the event marshals, who will direct you to the designated parking area. Parking in “Reserved Spaces” is prohibited and may result in fines issued by the venue management.

[Click here](#) for the event parking location.

Additionally, RTA public parking is free on Sundays, offering more parking options around the DIFC area. Please note that the metro does not operate early morning on race day.

## ATHLETE SUPPORT

### WATER POINTS

Monviso water will be available for all runners at the start and finish areas, as well as at three additional water stations along the race route.

All plastic water bottles from the Plus500 City Half Marathon will be collected by our partner Averda and recycled at the DGrade Recycling Factory, supporting a circular economy.

Our Commitment to Sustainability: Recycling Every Bottle.

### TOILETS

Toilets will be available at the start line and at the halfway point on the route.

### MEDICAL

Medical support will be available at the start and finish line, as well as at strategic points throughout the course. For assistance, please contact the nearest marshal on the course for support.
