FATIMA BINT MOHAMED
BIN ZAYED INITIATIVE

15

YEARS OF SUSTAINABLE DEVELOPMENT

The Fatima Bint Mohamed Bin Zayed Initiative (FBMI) was founded in 2010 with an aim to empower underprivileged communities with a strong focus on women, by providing them with sustainable employment and critical social services. The initiative has four main pillars: Arts & Culture, Education, Health and Strategic Advisory.

During the past decade, two social enterprises have been created to sustain the initiative; Zuleya and Mira.

These two social enterprises are the backbone of the initiative, with all profits reinvested into FBMI, making it a truly sustainable and unique social business model.

The carpets made by the initiative are used by the UAE leadership as the official gift of exchange to other world leaders. The famous 'Tolerance Carpet' was gifted by His Highness Sheikh Mohamed bin Zayed Al Nahyan to Pope Francis in 2016. From these engagements:
