

RACE BRIEFING

GOOD LUCK RUNNERS

WELCOME MESSAGE

Mr. Khalifa Al Shamsi
Managing Director
Team Sports UAE

Welcome you all for joining the great community event Run at Meydan Tracks Race 1/3 on 1st October 2021.

Wish you all the very best and have a safe run. Our purpose is to create maximum opportunities in the field of sports to keep you healthy and physically fit.

COVID-19 Precautions:

Please **READ** the important information below:

As you all are aware about the pandemic situation COVID-19 impacts, there is a guideline by local authorities and being a responsible citizen, we all have to follow.

- Wearing a mask is mandatory before and after the race. Masks will be available, if someone needs.
- Use hand sanitizers frequently and it will be available at different places.
- No gathering, hugging, touching and group photos are allowed.
- Stay in Race village area till your distance is called out to the start line for your respective format.

Social distance is a social responsibility. Let's act responsibly together!

COVID-19 Vaccination SOPs

As per precautionary measures issued by the authorities; all athletes and spectators, over the age of 16, should have fully completed both COVID-19 vaccination doses 14 days before taking part in the event. Furthermore, adherence to 2 meter social distancing rules and wearing a mask at all times (unless engaged in a sports activity).

Any participants failed to comply above rules, he/she will be disqualified.

5km 1 Lap

3km 1 Lap

1km 1 Lap

Disqualification Rules:

Do not cross all of the timing points for their registered category or distance.

If a person participates using someone else no or chip.

Any drafting or shortcut is not allowed.

If somebody is not following the COVID-19 Protocol, he/she will be stopped to participate.

RACE START PROCEDURE

- At the starting line there will be floor marking to maintain social distance.
- There will be a wave start instead of mass start and each wave comprises 4 to 5 persons. The distance between every row will be 2 meters.
- Each wave will be released with a difference of 4 seconds. Starting line will be covered and only the relevant runners will be released and allowed to enter there with their respective distance 10k, 5k, 3k & 1k.
- Please wait in the Race village area till your distance is called out and after that you can proceed to start line.
- Do not remove your mask until you cross the starting line
- Once you cross over the timing mat then your race and time starts, so no worries, if you are behind.
- Please give preference to fast runners in first rows

END-OF-RACE PROCEDURES:

Finisher medals will be collected by the runners themselves at the Finishing line. After that keep moving through the race village area and refreshment will be available there but keep in mind the social distance protocol at all the times.

We have to follow the hygiene policy and all the used stuff (mask and gloves) is to be thrown in the bins.

If you have an idea that you will not fall in any age category position, so kindly leave the venue but make sure you receive your medal and refreshment.

RACE RESULT

Soon after the race our official time management partner will review and finalize the result.

Race result can be viewed on following link and we will also share the link through your registered email soon after the Race.
